In the above-captioned application, small entity status was established in good faith and one or more small entity fees were paid in good faith. It has been discovered that the ownership structure of the patent owner at the time small entity status was established may have been such that the application did not qualify for small entity status, in which case the small entity fee(s) was paid in error. Request hereby is made that any error be excused in view of the following submission and itemization. This paper is also being submitted as a notification of a loss of small entity status.
